2009 Livestock Overnight Vehicle Admission Sticker & Auto Sticker Requests:

NEW FOR 2009 – 4-H Exhibitors may reserve, with payment, Livestock Overnight Vehicle Admission Stickers and Auto Stickers. They will be held at the Competition Office until the conclusion of the county fair the exhibitor participates in. Once verification of the 4-H Exhibitor's trip has been received by the Competition Office from the county 4-H department, the stickers will be sent to the address provided by the exhibitor on the application. For those county fairs occurring the weekend prior to the opening of the Minnesota State Fair, stickers will be sent via overnight mail. It is the responsibility of the 4-H exhibitor to ensure that the Minnesota State Fair competition office receives confirmation form the county 4-H of a trip awarded at the conclusion of the county fair. Without confirmation, no overnight stickers will be released or sent.

Requests for the livestock exhibitor-only parking area (Lots A, B, & C), will not be accepted prior to a postmark date of June 22 and MUST accompany a completed livestock entry form, with exceptions for 4-H Exhibitors and FFA Advisors, who may order without an entry form.

NO vehicle sticker requests will be accepted prior to June 22; requests sent without an entry form or with a postmark prior to June 22 will be returned. **No orders will be accepted via telephone, e-mail, or fax; no orders accepted without payment (cash or check).**

Stickers will be dated with the appropriate dates for when exhibitors will be showing. Fuel powered generators are prohibited in the overnight parking area. Please read the specific department premium book for complete details.

Exhibitors will be allowed to rent ONE overnight vehicle admission space AND/OR auto admission. Units that fit in a 10 x 20 foot area will require one sticker; larger units (up to 40 feet) will require the purchase of two stickers. **No vehicles over 40 feet in length will be accepted in the exhibitor overnight parking area.** These stickers are sold on a first come, first served basis. When the lot is full, no more stickers will be sold.

Lots A and B. These lots are used for the vehicle admission parking stickers. Vehicles will be parked in an area west of the Judging Arena. There will be two types of vehicle stickers sold for this area. For both stickers, the following rules apply: No units longer than 40 feet, vehicles with slide-outs must pay an additional \$20 per slide-out. No units strictly used for storage. Purchase of these stickers will allow admission of the unit into the fairgrounds and allow for its parking in the above-specified area.

When ordering stickers, you **must** submit the vehicle plate number the sticker will be placed on as well as the complete name, address & fair time contact information of the owner of the vehicle and/or responsible party (i.e. cell phone number, if available). **If at anytime during the fair the vehicle's plate number does not match the information you have provided us, we reserve the right to revoke your sticker and your space.**

No vehicles over 40 feet in length will be accepted in the exhibitor overnight parking area.
