

MINNESOTA STATE FAIR

Aug. 24-Sept. 4, 2017

Farm Crops

Superintendent..... Ron Kelsey, Lamberton, MN
Board Member..... Wally Wichmann, Balaton, MN

Farm Crops Rules

1. Eligibility.

- A. **All exhibitors.** Limited to residents of Minnesota. All exhibits must have been produced within the state of Minnesota by the exhibitor. Any irregularities in adhering to this ruling will disbar all entries made by the exhibitor.
- B. **Corn exhibitors.** Exhibitors will enter and show only in the zone in which they reside. Amateur and Professional designations will apply. Seed Ear exhibitors may show on a statewide basis and in any maturity zone; with all hybrid seed growers competing together.
- C. **Seed Ear, Old Corn and New Corn exhibitors.** Open only to bona fide hybrid seed corn producers in Minnesota.
 1. Producers of certified hybrid seed corn.
 2. Hybrid Seed Corn companies.
 3. Bona fide contract growers for hybrid seed corn companies who have provided an affidavit from the company being produced for, implying permission by said company to exhibit the contract grown seed ears. Such affidavit shall be presented with the entry form and addressed to: Competition Department, Minnesota State Fair, 1265 Snelling Ave. N., St. Paul, MN 55108.
 4. Bona fide individuals (other than the above) shall have an affidavit attested to by either the County Agricultural Agent or the Vo-Ag Instructor who shall determine the authenticity of said production. Either, but not both, contract grower or the hybrid seed corn company, for whom the hybrid seed corn was produced, may exhibit any designated hybrid.

2. Entry dates.

- A. **All crop divisions except New Corn.** Entries (except New Corn) close 4:30 p.m. Friday, Aug. 11, 2017.
- B. **New Corn.** Entries close 10 a.m., Thursday, Aug. 31, 2017.
- C. **Utility Certified Seed.** Entry forms and analysis sheets for Utility Certified Seed should be sent to Ron Kelsey, Superintendent: Farm Crops, Box 6, Lamberton, MN, 56152; by July 31.

3. Entries.

- A. **All crop exhibitors (except corn).** Only one entry of any one variety and a maximum of five varieties will be permitted in a class by an exhibitor. No more than one sample of any one variety in each class.
- B. **Corn exhibitors.** Corn exhibitor may enter and show up to five varieties in each of the maturity zones. There being five maturity zones and five per zone permitted, an exhibitor may show a total of 25 different varieties. Only ten ear exhibits will be shown. No more than one sample of any one variety in each class.
 1. All corn varieties must be properly entered and shown in the zone designations as registered with the State of Minnesota.
 2. The maturity rating of any hybrid shall be that maturity used in the official registration to permit the sale of said hybrid with the State of Minnesota, as required by existing laws. Each exhibit must be entered and shown in the proper zone to be eligible for an award.
 3. Corn exhibitor is responsible for entering the hybrid in the proper maturity class but if errors are made the Superintendent and Assistants will change the entry to the proper maturity class, still allowing only five total entries per class.
 4. **Divisions 107-111.** Each commercial exhibit must be properly entered and exhibited in the correct zone and the correct maturity date.
 5. The exhibitor must name the hybrid and maturity rating on the entry form at the time of making entry. Failure to label as to variety and maturity will disqualify the entry.
- C. **Utility Certified Seed exhibitors.** Maximum of five varieties.

4. **Exhibits.** All crop exhibits must be labeled with variety. Failure to do so will cause disqualification of the exhibit.

- A. **Open Class and Old Corn.** Exhibits must be delivered by noon, Monday, Aug. 14. Exhibits not arriving in time for the start of judging will be disqualified.
 1. If the exhibitor is unable to be present before the opening of the fair to receive and place the exhibits, they should be addressed to the superintendent and all charges prepaid to the fairgrounds (Superintendent, Farm Crops, c/o Competition, Minnesota State Fair, 1265 Snelling Ave. N., St. Paul, MN 55108). Attach entry tags to all exhibits addressed to the superintendent and they will be placed in the proper class.
 2. When exhibits are sent to the fairgrounds with no entry tag attached, a letter of explanation should be mailed to the superintendent.
 - B. **New Corn.** Exhibits may be delivered prior to 9 a.m., Thursday, Aug. 31.
 1. Mailed exhibits are to be delivered (prepaid) to: Farm Crops Division, c/o Mark Goodrich, Minnesota State Fair, 1265 Snelling Ave. N., St. Paul, MN 55108.
 - C. **County Booth.** Exhibits must be in place by 8 p.m., Wednesday, Aug. 23.
 - D. All exhibits must be kept in a neat and presentable condition during the fair, but no exhibitor shall change or alter the exhibit after the time limit designated for exhibit to be in place, until after exhibit has been passed by the judge.
5. **All exhibits shall remain in place until 8 p.m., Monday, Sept. 4.**
6. **Judging.** Premiums will not be awarded to inferior samples even if there is no competition.
 - A. In the event only one exhibit is shown in any one class, the judges may at their discretion, award such an exhibit any placing, 1st, 2nd, 3rd, etc. In the event only one exhibit is shown, there being no other competing exhibit in consideration for a championship award, the judges will not award a championship. At least two exhibits, by two different exhibitors, must be shown and competing for a championship. This applies in all classes in this department.
 - B. No exhibitor will in any way be permitted to assist with judging, nor shall any exhibitor attempt to influence the decision of the judges. Any person who violates any of the following or special rules will forfeit all privileges and premiums and be subject to such penalties as the governing board may order.
 - C. The State Fair reserves the right to submit any exhibit to a germination test. Except for forage seeds, a test of under 80% is not eligible for a premium. For forage seed tests a minimum of 65% is qualifying.
7. **Exhibit return.**
 - A. **County Booth, Sheaves of Oat and Wheat.** Between 8–11 p.m. Labor Day, admission will not be charged for exhibitors coming in through Gate 7.
 - B. **Crop samples.** No samples will be returned unless requested in writing to the Superintendent, at time of making entry. All Utility Certified Seed samples and any samples not requested to be saved will be dumped at the end of the fair, under the supervision of the management.
8. **Corn exhibits.**
 - A. All seed ear exhibits shall be properly identified with the same designation as used in the sale of such hybrid. Failure to comply with this requirement will be grounds for disqualification.
 - B. In the seed ear class only, an exhibitor will be permitted to exhibit any hybrid by the maturity date of that hybrid.
 - C. Each commercial exhibit must be properly entered and exhibited in the correct zone and the correct maturity date.
 - D. The hybrid must have been registered for sale with the State of Minnesota.
 - E. Old corn shall be grown the year just previous to the year for which this premium list is issued.
9. **Corn Zone Classification.**
 - A. **Southern Zone.** Counties of Blue Earth, Brown, Cottonwood, Faribault, Fillmore, Freeborn, Houston, Jackson, LeSueur, Martin, Mower, Murray, Nicollet, Nobles, Redwood, Rice, Rock, Sibley, Steele, Waseca, Watonwan, Winona.
 - B. **South Central Zone.** Counties of Carver, Chippewa, Dakota, Dodge, Goodhue, Hennepin, Kandiyohi, Lac Qui Parle, Lincoln, Lyon, McLeod, Meeker, Olmsted, Pipestone, Ramsey, Renville, Scott, Swift, Wabasha, Washington, Wright, Yellow Medicine.

10. **Definitions.**
- A. **Seed Ears - Hybrid Corn.** Ears from hybrid crossing plots, which may be single cross, three-way cross, or double cross. This seed produces the commercial hybrid seed corn.
- B. **Commercial Ears - Hybrid Corn.** Crop grown from the seed produced in hybrid corn crossing plots, and which is intended for feed.
1. **Single crosses.** Crop grown from the seed produced in hybrid crossing plots involving two inbred lines.
 2. **Double crosses.** Crop grown from the seed produced in hybrid crossing plots involving two single crosses.
 3. **Three-way crosses.** Crop grown from the seed produced in hybrid crossing plots involving an inbred line and a single cross.
- C. **Exhibitors.** Exhibitors shall be classified according to the following definitions. An exhibitor will be permitted to exhibit in any one class, either as an Amateur exhibitor or as a Professional exhibitor.
1. **Amateur.** Open to any resident of Minnesota who has not been designated a professional class exhibitor by the Minnesota State Fair management. Exhibitors showing in the Amateur class may not show in any class in the Professional class. An exhibitor who has won a total of 5 or more first place premiums in the Amateur or Professional classes in the last three years, or who has won a Champion Showman award in the last 3 years, will be permanently designated a Professional class exhibitor. This shall apply to all members of a household, partnership, business, or corporation.
 2. **Professional.** Open to any resident of Minnesota who has won five or more first place premiums in amateur or professional class competition during the last 3 years. A Professional class exhibitor may not exhibit in any class of the Amateur class. This shall apply to all members of a household, partnership, business, or corporation. Upon becoming a Professional class exhibitor, the exhibitor shall remain in this class unless otherwise informed by the Minnesota State Fair management. These classifications shall apply only to the Commercial Ears classes. In the Seed Ears class, any exhibitor may show provided all requirements as to eligibility as set forth in Class 108, Seed Ears, are met. Open only to residents of Minnesota.
11. **Exhibit labeling.** All entries must be labeled with variety. Failure to label variety will disqualify the entry
- A. **Corn exhibits.** All corn varieties must be properly entered and shown in the zone designations as registered with the State of Minnesota. The exhibitor must name the hybrid and maturity rating on the entry form at the time of making entry. Failure to label as to variety and maturity will disqualify the entry
12. The management of the Minnesota State Fair reserves the right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions, and differences in regard thereto.

Division 103: Sheaves of Oat and Wheat

Sheaves of Oat and Wheat Rules

1. In addition to the division rules, exhibitors and exhibits are bound by the overall Farm Crops Department Rules.
