Gedney Foods Company proudly continues its tradition of supporting the development of homemade pickle recipes with sponsorship of the Minnesota State Fair Canning Contest. This year Gedney Foods is celebrating 25 years of producing and marketing their State Fair pickle brand, with recipes produced by State Fair pickle recipe contestants.

In addition to harvesting the best pickle recipes offered by state fair contestants, Gedney Foods also wants to hear what drives your **Passion for Pickling**. Include your personal, written story telling us how your *Passion for Pickling* was cultivated - perhaps you've learned the pickling particulars from a family of picklers who passed down the recipe for generations? Or maybe you are a cool cuke who just discovered the craft and can't keep quiet? Whether you've been doing this a long-time or for the first-time - we want to taste your homemade recipe and know your real-life story. Each contest year blue ribbon winners are a first consideration for possible inclusion on Gedney's State Fair line of pickles. While there is no guarantee or obligation by Gedney Foods to produce the winning recipe or include it in the product line, we seek to discover the most flavorful home-crafted pickle recipes inspired by tradition and "pickle pride".
