FFA General Rules and Information

1. The FFA Livestock Show will be held four days, Friday through Monday, Sept. 1–4, 2017. The FFA Crops exhibits will be in the Agriculture-Horticulture Building, the Landscape Design exhibit outside the CHS Miracle of Birth Center and Agriculture Technology exhibits will be in the Education Building during the fair.
2. The Minnesota State Fair will provide sleeping quarters for the FFA exhibitors and advisors as space permits. All students, regardless of age, must be supervised at night. Supervision of FFA exhibitors while they are at the fair is the responsibility of the chapter advisor. An adult, parent, administrator, or instructor must accompany the exhibitors.
 - A. **Dorms.** Dorm reservations will be accepted Aug. 1–14, or until dorm space has filled. Requests must be made through the FFA website at mnffa.org. No telephone requests accepted.
 1. For information on dorm space availability, check the FFA website at mnffa.org. Those requesting space after dormitory space is filled are responsible for obtaining lodging off grounds.
 - B. **Sleeping in the barns -- unless in the dorms -- is not permitted.**
3. **Curfew. 11 p.m.** All FFA exhibitors must observe an 11 p.m. curfew.
4. It is recommended that the fitting and preparation of livestock be done by the exhibitor and family members. Herdpersons accompanying exhibitors must adhere to the same rules as the FFA members. Failure to do so will result in disqualification of the exhibitor for future shows.
5. All exhibitors will present a code of conduct statement signed by their parents, advisor and exhibitor.
6. Breed or farm shirts are not permitted in the show ring.
7. The consumption or possession of alcoholic beverages, tobacco, or any controlled substances by FFA exhibitors is prohibited. Violators will forfeit their eligibility to show.
8. The State Fair reserves the right to test any entry for body growth enhancing substances, drugs or medications.
9. State Fair officials (which may include the official veterinarian and FFA livestock staff) reserve the right to remove any sick animal from exhibit.
10. The show officials solicit and welcome the advice and input of parents and exhibitors.
11. **Entries.** Regardless of entry closing date, no entries will be accepted beyond the capacity to house them. Entries must be filled out in the name of the FFA exhibitor (defined as one person). No entry, individual or group, will be accepted after the final deadline.
 - A. **Beef and dairy cattle.**

 - D. **Entry fee. School or chapter group. \$5 per group.** Must be received by 4:30 p.m. Monday, Aug. 14, 2017.
 - 1. Filled out by FFA instructor, under chapter name only. On separate entry forms, should include the chapter group name, the advisor's name, and the names of the exhibitors who may contribute to the group.
 - 2. Final animal composition of the group need not be given until show time.
 - 3. **No chapter groups will be signed up after the above deadline.**
 - E. **Tie-out fee. Beef cattle. \$20 per animal.**
13. **Eligibility.** Open to Minnesota students, grades 9-12, who are regularly enrolled in an agricultural education program, or are active members of a chapter of FFA in good standing with the state FFA association. Wisconsin sections 1, 2, and 3 may show in crops and tractor driving only.
- A. Incoming 9th grade students are eligible to show if enrolled in, or have completed a course in a grade 9-12 agricultural education program for the current year.
 - B. FFA members enrolled in new or reestablished programs are not eligible to exhibit until the fair following the first academic year of operation.
 - C. Exhibitors who have not graduated from high school must have been enrolled in at least one agriculture class during the current year, and must be current paid members of the state and national FFA associations.
 - D. This is the last year of eligibility for those who have graduated from high school in 2014.
14. **Ownership.** Pedigree or transfer certificate must include the proper name of the FFA exhibitor as an owner (except as noted below).
- A. **Breeding beef or dairy cattle.** Must be owned by exhibitor by June 1 of the current year, and entered in the name of the feeder and exhibitor.
 - 1. If the transfer date is after June 1, a bill of sale must be presented to prove June 1 ownership.
 - B. **Hogs.** Leased hogs are permitted in both breeding and market divisions.
 - 1. Partnership agreements must be signed by June 1 by the parent, guardian, owner, exhibitor and the agriculture instructor.
 - C. **Breeding sheep.** Must be owned by exhibitor by July 1 of the current year, and entered in the name of the feeder and exhibitor.
 - 1. If the transfer date is after July 1, a bill of sale must be presented to prove July 1 ownership.
15. **Partnerships. Animals owned in partnership must be shown solely in the name of the same FFA exhibitor for the entire show season.**
- A. **Partnerships within immediate family.** 100% of the pedigree or transfer certificate must be in the exhibitor's name or in the name of a family partnership within the exhibitor's immediate family.
 - 1. Immediate family defined: spouse, father, mother, sibling, grandfather or grandmother.
 - a. Required in registered beef, purebred Holstein, and registered sheep if the proper name of the exhibitor does not appear on the pedigree as an owner.
 - B. **Partnerships outside of immediate family.**
 - 1. **Beef cattle.** Grade and commercial classes only.
 - a. **Exception.** Two breeding animals in registered breeds permitted.
 - 2. **Dairy cattle.** Permitted.

16. Animals may be entered in corresponding open class or 4-H classes, provided allowed by open and 4-H. Entry must be accompanied by the requisite entry fee for each animal.
17. **Pedigrees.** To receive points for the premier exhibitor and specie trophy awards, exhibitors must produce original certificates of registry the first day of the FFA livestock show.
- A. Exhibitors must produce pedigrees by the morning of the last day of the FFA livestock show for the breeding shows in order to receive premiums.

- B. It is the responsibility of the exhibitor to make sure the registration certificates are checked by the Competition Department.
 - C. Entries without original registration certificates will be recorded on judging sheets as being shown but will be ineligible for premiums.
18. **Substitution.**
- A. In case of illness, or other extenuating circumstances, another FFA member may show the animal of an FFA exhibitor. The substitute must be approved by the department superintendent
 - B. Substitution of animals will be permitted outside a class and within the breed division originally entered in all species.
19. All attendants or persons leading or driving an animal into the judging arena must be FFA members, neatly attired and their attire must be kept neat and clean throughout the show.
20. **Stalling.** Animals entered in both open class and FFA beef cattle will be stalled with open class, unless noted on entry form. Chapters with fewer than three exhibitors and/or six head in the beef show will be stalled with the dairy exhibitors. FFA sheep and goats will be penned and exhibited in the Swine Barn.
21. **Signs.** Signs in the cattle barn must be no larger than 2' high and 6' long; not in aisle; must be below wire, above stall boards and treated with a fire retardant. Signs in the swine barn must not be larger than an FFA banner.
22. **Awards.**
- A. **Premier exhibitor.** A permanent traveling trophy will be awarded to the chapter having the highest quality exhibit at the show. The Minnesota State Fair will award a plaque to the chapter winner.
 - 1. To be eligible, an exhibitor must list his/her chapter on their original entry form.
 - 2. The chapter must have entries in four of the five divisions of the FFA Livestock show.
 - 3. Points computed on exhibits of livestock where the entry was received prior to the closing date and the original registry certificates are presented on the first day of the FFA Livestock show.
 - a. In the event of a tie, the number of champions, first, and second premiums, in that order, will be considered.
 - 4. All divisions will receive points based on the number of animals in the class.
 - a. In beef, swine, sheep, and goat divisions for example, if there are 16 animals in the class, the first place animal would receive 16 points, second place 15 points, etc
 - b. In the dairy division, points will be doubled.
 - c. All breeding classes and commercial female classes will be included.
 - d. No points will be awarded in groups.
 - e. **Champions in all divisions will be awarded points on the following basis:** Champions; 10 points each for junior, senior and grand champions. Reserve champions, 5 points each for junior and senior champions.
 - B. **Specie premier exhibitor.** Permanent traveling trophies awarded in beef, dairy, swine, sheep, and goat to the chapter having the highest quality exhibit at the show. The Minnesota State Fair will award a plaque to the chapter winners.
 - 1. Two or more exhibitors per chapter must exhibit to receive this specie award.
 - 2. Points calculated on the same basis as for premier exhibitor.
 - C. **Market livestock premier exhibitor.** Permanent traveling trophy, awarded to the chapter having the highest quality market livestock exhibit at the show. The Minnesota State Fair will award a plaque to the chapter winner.

 - C. Must include planned participation in current year's Minnesota State Fair.
 - D. Attend or be enrolled in a post secondary institution.
 - E. No restrictions as to course of study or choice of school.
24. **IAFE (International Association of Fairs and Expositions) National Code of Show Ring Ethics.** Submission of entry indicates an agreement to abide by all conditions and rules listed below.
- A. Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics", fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.
 - 1. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine examples. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.
 - B. **The following is a list of guidelines for all exhibitors and all livestock in competitive events:**
 - 1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
 - 2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
 - 3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
 - 4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

- a. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.
 - b. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications, for the sole purpose of protecting the health of the animal, shall be administered by a licensed veterinarian. *The Minnesota State Fair allows exceptions in breeding classes for sound management practices such as mastitis or pneumonia control.
 5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
 6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance or other similar practices are not acceptable and are prohibited.
 7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
 8. No owner, exhibitor, fitter, trainer or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics, or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
 9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in, or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
 10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of the Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary actions taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
 11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and also in violation of federal, state or provincial statutes, regulations or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
25. **NALS&RMA Rule Infraction Database.** Barred or Disqualified Exhibitors: The Minnesota State Fair, in cooperation with the North American Livestock Show and Rodeo Managers Association (NALS&RAMA), Rule Infraction Database (RID), reserves the right to refuse entry of any exhibitor who has been barred or disqualified from any other show on the basis of unethical practices referred to in the International Association of Fairs and Expositions (IAFE), National Code of Show Ring Ethics.
 26. **ALL SPECIES. Livestock Health Regulations and Identification.** All animals will be inspected by the official veterinarian the opening day of the exhibition and daily during the exhibition. The official veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any animal showing clinical signs of any infectious, contagious or communicable disease, including ringworm and warts.

- A. Any animal showing evidence of any disease, abscesses, or any open contagious lesions will not be allowed to exhibit or show and will be subject to isolation or expulsion depending on the nature and seriousness of the disease, abscess or lesion in question. If illness of any nature is suspected in any animal, said animal is subject to examination by the State Veterinarian and owner or exhibitor of said animal must abide by the decision of this veterinarian. Animals with warts or ringworm may not be shown. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable. Animals known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined flock may not be entered in an exhibition.
- B. **Identification.** The USDA instituted its Animal Disease Traceability (ADT) rule which improves its ability to trace livestock in the event of a disease outbreak. According to the ADT rule, livestock moving interstate must be officially identified and accompanied by an interstate certificate of veterinary inspection (ICVI). The USDA Animal Disease Traceability rule went into effect March 11, 2013. For more information regarding the USDA ADT rule please visit: aphis.usda.gov/traceability. Official ID may NOT be removed from an animal once it is applied.
1. **All species.** Individuals must be officially identified (see bah.state.mn.us/official-id/ for list of official ID).
27. **CATTLE. Livestock Health Regulations and Identification.**
- A. **National Uniform Ear-tagging System (NUES).** Begin with an official state number followed by three letters and then four numbers. (The official state number for Minnesota is '41'.) Must display the U.S. shield if applied to an animal March 11, 2015 or after.
1. Metal NUES tags may be ordered at no cost from the Board by calling (651) 201-6836 or using the online tag order form.
 2. Plastic NUES tags may be purchased from Leedstone by calling (877) 608-3877 or from the Minnesota Dairy Herd Improvement Association by calling (800) 827-3442.
 3. Orange brucellosis vaccination tags may only be used by accredited veterinarians in cattle and bison.
- B. **Animal Identification Number (AIN) or "840" tags.** Begin with an official country code followed by an additional 12 digits; 15 digits in total. (The official U.S. country code is '840'.) Must display the U.S. shield if applied to an animal March 11, 2015 or after. May be purchased from most ear tag distributors. 4-H tags available by contacting your county extension office.
1. 15-character tags beginning with the letters 'USA' or manufacturer-coded tags beginning with any number between 900–998. Official only if applied to the animal prior to March 11, 2015.
- C. **American Identification Number (AIN).** Combines 'USA' with 8 or 9 digits. Official only if applied to the animal prior to March 11, 2015. May be purchased from most ear tag distributors.
1. Includes the National Farm Animal Identification and Records (FAIR). Administered by Holstein Association USA, Inc.
- D. **Cattle from Minnesota.**
1. No Certificate of Veterinary Inspection (CVI) required.
 2. Must have proper identification as outlined in the USDA ADT rule (as of Mar. 11, 2013).
- E. **Cattle from outside Minnesota.**
1. Certificate of Veterinary Inspection (CVI) must list the Minnesota State Fair as consignee and will be accepted if examination and tests are conducted within 90 days prior to the exhibition.
 2. Must have proper identification as outlined in the USDA ADT rule (as of Mar. 11, 2013).
 3. Must meet the Minnesota Importation requirements. See bah.state.mn.us/imports/, or call the Minnesota Board of Animal Health at (651) 296-2942
 4. Must meet the importation requirements of their state of origin if they are returning.
28. **SWINE. Livestock Health Regulations and Identification.** In order to minimize risk to swine and humans for influenza virus transmission, no hogs will be allowed to stay on the fairgrounds, where swine are penned for competition (Swine Barn and adjacent Holdover Barn) beyond the scheduled time in which the hogs are to be shown, eliminating all holdover swine. Display animals penned in adjacent barns and not co-mingled with exhibition swine (including Miracle of Birth, 4-H champions, largest boar and display sow and litter) are exempt.
- A. **National Uniform Ear-tagging System (NUES).** Begin with an official state number followed by three letters and then four numbers. (The official state number for Minnesota is '41'.) Must display the U.S. shield if applied to an animal March 11, 2015 or after.

Division 3: Angus

Rules

1. The American Angus Association®, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered in individual classes for junior Angus heifers, as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show and will be included in the premium checks issued by the show.
 - A. A minimum of 15 head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.
 - B. Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.
 - C. To be eligible for Association premiums, entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership.
 - D. Premiums from the Association are paid only to registered Angus cattle, and only if the registration number is part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums.
 1. The Association does not pay a percentage on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.
 - E. Exhibitors must have the original registration certificate on each animal available for inspection at the show. Electronically stored registration certificates are NOT accepted - only the original certificates issued by the American Angus Association.
 1. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to its registration certificate is ineligible to show.
 2. Once disqualified due to an incorrect or illegible tattoo, animals cannot be re-tattooed and rechecked at the show.
 - F. Any female shown with a calf at side, the calf must be the cow's most recent natural calf and the calf must be registered by show date and have the original registration certificate at check-in.
 - G. Only one person at a time shall lead animals into the show ring.
 - H. Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800-811. These rules can be found at www.angus.org.
 - I. Altering the conformation and/or appearance of an animal for exhibition is prohibited.
 1. This includes the use of chin straps, covering of white skin, false tail heads (or use of any false hair) with the exception of false tail switches.
 2. The use of graphite, powders, hemp or other similar substances externally. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling.
 3. Any animal found to be in violation will be barred from showing.
 - J. At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents on any animal exhibited.
 1. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated make-up areas.
 - K. All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
 - L. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is shown, if there are reasonable grounds to believe a violation has occurred.

Division 12: Market Beef and Dairy Steer

Rules

1. Steers and market heifers must be calved Jan-Aug, 2016.
2. Open to any beef breed, grade or crossbred, steer or market heifer and purebred or crossbred dairy steer with all temporary incisor teeth in place.
 - A. Cattle must be broke to halter and dehorned.
 - B. Purebred dairy steers must present registration papers in breeds except for Ayrshire, Brown Swiss, Guernsey, Holstein or Jersey. Crossbred dairy steers must be combination of dairy breeds; no beef breeds.
 - C. Crossbred dairy steers must provide the breed composition at check in.
3. Only one entry per exhibitor in each live class (classes 1 and 3).
 - A. Entries in the live classes are automatically entered in the corresponding carcass class. No additional entry fee required.
4. All cattle will be ultrasounded and the carcass placings based on the information from this ultrasound. Exhibitors must indicate at the time of weighing/ultrasounding if they wish to send their animal to market.
 - A. Animals will be placed based on a relative value of retail product.
 1. The Relative value of Retail Product = Carcass Price/lb. x Percent Retail Product.
 2. The Percent Retail Product Score will be determined as follows:
 - a. $65.59 - 9.931 \times \text{Fat Cover} + 1.2259 \times \text{REA} - 0.013166 \times (\text{carcass weight}) - 1.29 \times \% \text{KPH}$ (2.5%, assumed).
5. Weighing, ultrasounding and ear tagging of cattle will be between 11 a.m.–1 p.m., Friday.
 - A. Weight ranges exceeding 300 lbs. will be sorted into classes and judged.
6. Exhibitors who are marketing their animals must complete a COOL (Country Of Origin Labeling) affidavit/declaration of origin, available from the Department Superintendent. All market animals must have their origin declared before the animals are shipped to market.
